DPPEA Vehicle Fueling Procedure

Wright Express card

- Use your six-digit identification # (see step below);

- The ID# is 19 followed by the first four digits of the vehicle. Example: DPPEA car # 55409, the ID# for the Wright Express card for this vehicle is 195540.

NC State Highway Patrol Fuel Stations

If you ever need to use an SHP pump you will likely have to fill out paperwork, instead of using the filling key. The form asks for a pin or an agency code and the vehicle number.

- Under vehicle number put in the full 8 digit vehicle number.
- For agency code put in the number 03001
- Both of these numbers are found on the dog tags attached to the vehicle keys.

NOTE: The voyager credit card is no longer valid.
