

SOP - Mortality Disposal

1. All dead animals will be removed from the farm within 24hrs. Information on # of dead animals, environment of farmhouses, and pig care is recorded on in ABC Farms Nursery Serviceperson report located on clipboard hanging in farm office.
2. Dead animals will be taken to dead bin. This sow farm is located by taking a right out of farm road onto ABC Road and going to Road ABC. Take another right at ABC and travel 6.1 miles to ABC Road. Take a right and follow road 1.1 miles to Sow farm. Dead bins are located down farm road 2 tenths of a mile on the right hand side.
3. Insure protective gloves and over boots are donned before leaving vehicle and removed before re-entering vehicle. Insure dead bin lids are put on top of bins before leaving.
4. In case of catastrophic mortality refer to County CART plan, located in farm office in file box.
